

Corporate Social Responsibility (CSR)

Clearway Byotech Ltd has dedicated CSR policies and procedures and we take our commitment to operational business ethics extremely seriously.

Where required, all products meet UK and European legislation as well as Biocidal Products Regulations (BPR) and REACH compliance.

All products are manufactured to ISO 9001 and ISO 14001 standards.

Medical products are manufactured to ISO 13485 Medical Standards. All hand soaps and hand sanitisers are registered under EU Cosmetics Regulations

Our CSR policy incorporates:

- Environmental Policy
- Sustainability | Waste
- Equality and Diversity
- Equal Opportunities
- Supply Chain Transparency
- Safeguarding
- Community Engagement | Community Benefit Programme
